

Weed Management 2007- 08_Scholarship Program

INFORMATION SHEET

If you do not follow the directions completely your application will not be considered
All of the following requirements must be met:

- Undergraduate and graduate students must be enrolled in or accepted into a full time accredited college or university program in or out of the State of Colorado.
- Two scholarships are available in the amounts of \$1,000.00 each.
- Students must be at least 18 years old, will be a junior or senior in college or graduate student, and have completed an internship emphasizing noxious weed management within Colorado (preference will be awarded to students majoring in a weed, range, or agricultural science field).
- CWMA scholarships are weighted in favor of those with academic excellence, overall achievement, in addition to essay quality and innovation.
- **All applications must include this information sheet with your signature below, the attached application page, and a one-page essay (no more than one page).**
- **The attached application and essay must be typed or computer generated.** You can access this application online at www.cwma.org. Applications submitted after the February 15, 2008 deadline will not be accepted.
- If you were awarded a scholarship last year and wish to receive it again, then you must submit a new application.
- Students awarded a scholarship must prepare a poster for display at the CWMA Training School held in April of 2008. The poster can depict a variety of weed-related topics including current research projects and how the scholarship funding has assisted the student.

Essay

For the essay part of your application, please write about the following topic: "How did your summertime work benefit and/or relate to the stated mission of the Colorado Weed Management Association?"
